Dear Parent/Carer

Re. Fusion app for online ordering from the school cafe

It has been brought to our attention that information regarding the school meal ordering system/app and the relevant access codes have not been issued from North Lanarkshire Council. This letter is intended to provide you with some of the relevant information that we have.

As you might already know, as far as possible our school café is cashless. This means that normally there is no option to pay for food or drinks with cash on the day. However, you can put money onto your child's lunch account using our online payment system iPayimpact. You can find out more about this and also see instructions on setting up an account at the following link if you have not already done so:

<https://www.northlanarkshire.gov.uk/schools-and-learning/school-meals/school-meal-payments>

Last year, North Lanarkshire Council introduced the Fusion app that allows pupils to pre-order from our school café for morning interval and lunchtime. In order to benefit from 'meal deals' pupils must order through the app. You can download the app for both apple and android devices from the app store for your device. The app icon in both app stores is:

Access to the app requires an on-boarding code that we will issue directly to you child today to bring home. You will require this code to link the app to your iPayimpact account. Ordering opens at 2.00pm the previous day and closes at 9.30am on the day for orders, i.e. for a Friday you can order from 2.00pm on the Thursday until 9.30am on the Friday morning.

If you require any further information please get in touch.

Yours faithfully

A handwritten signature in black ink, appearing to read 'Gregg Orrock', written in a cursive style.
